

How do I prepare my Profile?

Completing your profile

- Accurate information in the Profile enables the Integrated Service to provide assistance as efficiently and as quickly as possible (it is therefore advisable to update the Profile information as necessary to keep it up to date).
- Languages are listed in the order in which they were selected when completing the Profile. Languages should be selected in order, starting with the one you know best + 1. etc.
- Diagnoses are listed in the order in which they were selected when completing the Profile. Diagnoses should be added in order, starting with the most important + 1. etc.
