

How do I call an Integrated telephone number **on behalf of** a Trusted person? («Medical advices»*)

1

Calling **for** a
Trusted person

- You can call the Medical advices service number on behalf of your Trusted person and the adviser will see this (the operator will see your Trusted person's profile information) and be able to give you advice based on the correct information.

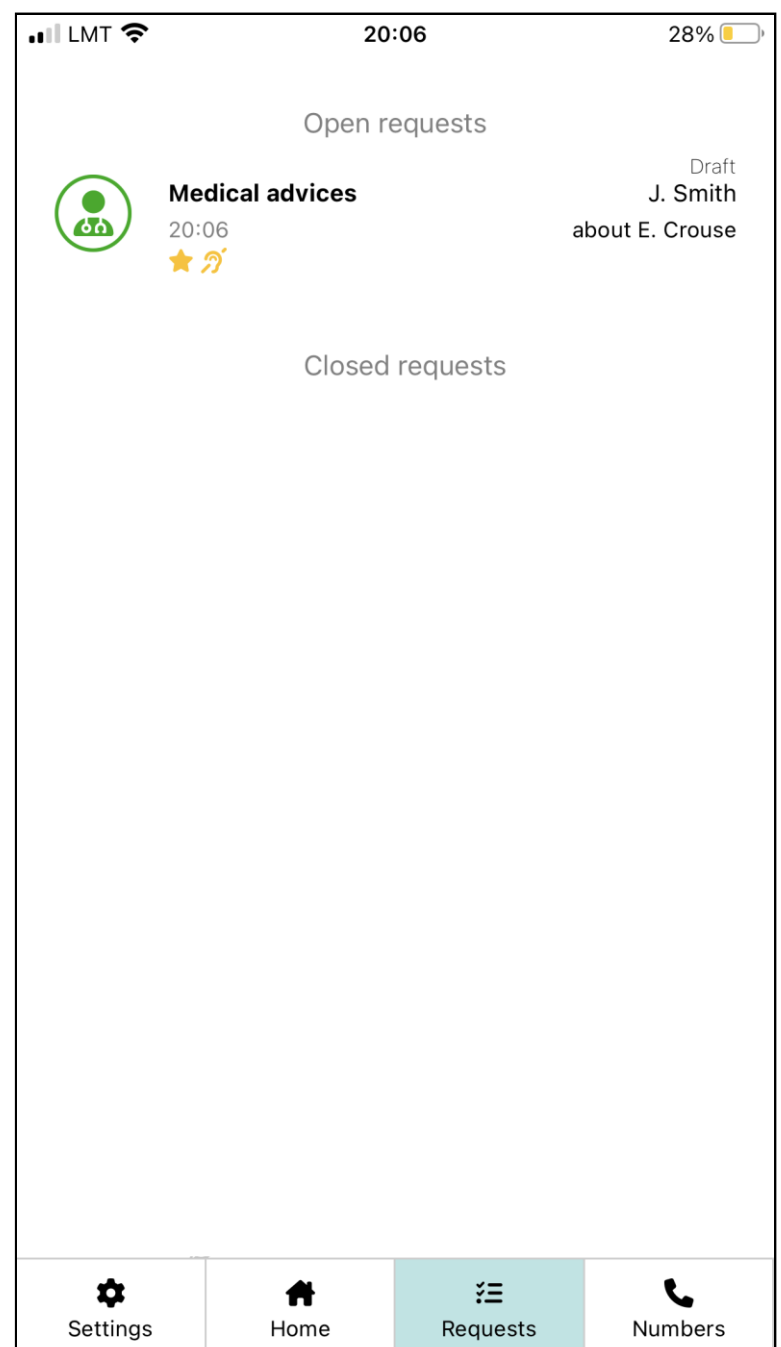

2

Requests

- A corresponding Request is created for each call.
- If you need to send a photo during the conversation with the doctor-operator, proceed as described in the section "How do I call the Integrated telephone numbers?".

* «Medical advices» = the [Family Doctor Consultations Service number](#)
